Foreword

Our "Phantomaire" of 1957-1958 is symbolic of the spirit of Jordan-Matthews High. We hope that each time you turn its pages you will find some reminder of the wonderful days at Jordan-Matthews. Each page has its particular memory—a memory that will grow from old-fashioned to modern with the changing of times. As the years go by, follow along in your own way, but keep up; and if you fall back—look up to your annual for a cherished inspiration that will lead you on.

*Best to You
Coach Callicutt*

Because of their undivided help and guidance, we—the Beta Club —take pride in dedicating this, our first “Phantomaire,” to our coaches: Mr. Bob Callicutt, Mr. Bill Charlton, and Mr. Guy Smith. They have molded our characters with high ideals, truth, and honesty. They have shared our joys and griefs and in so doing have given us a better understanding of the true values of life.

MARY BETH KELLY

Prophecy

The Honorable Jerry Pike
Governor of North Carolina
Raleigh, North Carolina

Siler City, North Carolina
May 31, 1980

Dear Jerry:

Since you, the Governor of the State of North Carolina, have found that you could postpone those urgent matters of state long enough to join us and be our master of ceremonies at our class of '58 reunion, I'm sure you would like to have all the information about your friends and former classmates possible.

You remember, of course, that Carol Boger, now your efficient and reliable secretary, was a member of our class. I believe her name has been changed, though, hasn't it?

Faye Truelove and Lynda Webster started their careers as housewives early and now have teenage youngsters. No one can say they don't have successful marriages.

James Brooks is doing quite well for himself on his turkey farm. Jake Scotton manages his fleet of trucks and does some driving himself.

If you have time for reading the newspapers, you will know that one of the nation's leading chemists and scientists today is Bill Brookbank. He has just proved his last theory—"The Egg Came First."

Linda and Sue Rogers are happily married today and are the co-owners of the Rogers Model Agency. Their designer is the famed Parisian Fashion expert, Billy Joe Frazier.

Ray Durham is now the basketball coach and physical education director at the Happy Valley Girls' School. He is usually heard saying, "All right, men, let's go . . . er . . . I mean girls."

Sylvia Bridges, you remember, was our class's homecoming representative; she is presently running for the title of Miss Pineapple, and in her spare time is teaching her own little pineapples her beauty techniques.

Billy Brady is the owner of and a doctor at the Brady Clinic at Coleridge. He has made several discoveries on how to slow down the pulse and heart beat of those in love. Barber Teague is his head nurse.

I was delighted to hear that the former test drivers, Don Smith and Billy Joe Dowd, are now employed by you as chauffeurs.

Carolyn Andrew is a judo expert and is working as a defective, I mean detective, for the F.B.I.

If you ever need the services of a farm expert, call on Kenny Clark. I hear he is an expert on all phases of farming, especially corn-shucking.

James Sears has just replaced Elvis Presley and has a show of his own. He is becoming quite popular with the younger set.

Dillard Phillips now owns the local theater; he knows all about it from the popcorn machine up to the projection room!

Gaynelle Scotten is a composer and pianist. Her lat-

est concert at Carnegie Hall really brought the house down!

Our Class produced, also, a lady stock-car driver. Helen Stone is now second only to Curtis Turner.

Edwin Willett and Bobby Lynn White are the co-owners of a chain of drug stores. They were competitors at first, then merged after considering the old saying, "If you can't lick 'em, join 'em!" Karen Seals is their cosmetologist and make-up expert.

Nelson Whitt, the local "cat," is now Arthur Murray's chief competitor. He has just opened a new dancing school called, "Let's Bop!"

Tinkie Resch is the superintendent of a reform school, and Janie Mac Yow is one of her teachers. Poor Jerry Webster has the rough end of the job. He is known as the teachers' paddling machine!!!

Once a busy artist, Peggy Lowe has settled down to her duties as a housewife and mother of all the little Lowes.

Our class gave unto the field of sports a major league baseball player, Earl Hart, and an All-American football star, Roy Stout. Of course, they have plenty of time for their happy married lives. Writing the accounts of the games is the nationally known syndicated sports columnist, Jimmy Hamer.

Several of our former classmates are owners of their own companies today. Jimmy Rush is the proprietor of the Red-On-The-Head Wig Manufacturers. Maxie Lee Corder is his private secretary and also models their products for prospective customers.

The owner of Beane's Beanery is none other than our own Donald Beane. I hear he has the best baked beans this side of Ramseur! Betty Jean Clark and Betty Fields are his waitresses and Jimmy Brooks is one of his curb boys.

Donald Hammer, voted the town's most eligible bachelor, has written a new novel (?) entitled THE LAFFA' BIT JOKE BOOK.

You have, no doubt, ridden on a TWA airliner, so you know that Marie Thompson is a top-flight hostess on one of their largest planes.

Right beside Robert Dorsett's service station is Ray Camp's used car lot. Eddie Clapp serves as a mechanic for both businesses. Together, they really do the business. Eddie fixes 'em; Ray sells 'em; and R. D. fills 'em up!

Hal Culberson, former naval officer, is the recent inventor of the "land or sea" Ford for '80. They tell me it's quite a car, (or should I say boat???)

Ormand Buckner is another business man; he has a chain of ultra-modern supermarkets. His right hand is

another married classmate, Ruth Deese. Anna Gene Efird is the company's buyer and public relations director.

Patricia Harris's furniture store is sponsoring a new advertising campaign dreamed up by her husband. Jerry Brady sleeps in the window of the store on a Beauty Rest mattress all day! I hear no complaints from Jerry! Driving her cross-country trucks are Lynville Phillips and Bryant Womble.

Bobbie Pickett is in Cuba as a missionary now; but she is making a special trip home for our reunion.

Carolyn Poe was recently named the grandmother of the year. She now has 10 grandchildren!!

Frances Rogers, now a famous comedienne, is appearing weekly on the Grand Ol' Opry in the place of Minnie Pearl; and she has just announced her engagement to Rod Brassfield!

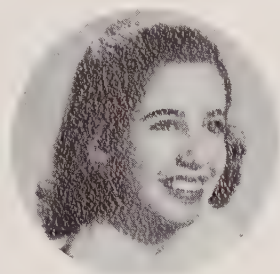

Betty Jo Harris now owns several shares in Roses' 5 and 10 Cent Store. Everyone thought she would eventually move up to this position.

As for myself, I gave up my secretarial position several years ago for the role of "just" a housewife and mother of three!

So you see, Jerry, the seniors of 1958 were pretty exceptional each in his own way. There are some who have already made a success of their lives; others who soon will; and still others who measure success in simple terms of happiness.

I'm sure everyone is looking forward to our reunion. Won't it be fun to "hash over" those good ol' days?

Respectfully,
Jane Hough
Prophetess

We, the senior class of Jordan-Matthews High School, County of Chatham, and State of North Carolina, in the year of our Lord nineteen hundred fifty-eight, being of sound mind, do make, publish, and declare this to be our Last Will and Testament, hereby revoking any and all other wills heretofore made by us:

We, the annual staff of the first PHANTOM-MAIRE, express our sincere thanks to those who have made this year-book possible.

Our effort to satisfy everyone is over. A few mistakes have been included; maybe they will please the persons who are always looking for them.

Autographs

Sister,

I feel the very same way you feel, about what you put in my Phantomdore. You are one of the sweetest, nicest, and cutest girls I know in high school. We have had a lot of fun together in our years together, especially when we lived near you. But now of course we live at Park Drive in a 125 ft. long house with two cars. We got in a few fuses, but we always make up, and from then on we are getting along just fine. If we go to the same college, we hope we won't fuss and get in love and want speak. I guess before long all of the Cecil Budd family will be building. I hope you and Ray get along just wonderful, want fuss or anything, because you make a cute couple. Don't ever break up. Best of luck to both of you in these next years, especially YOU! This is a crazy writing, but I guess it will do.

Lots of love always,

Diana

Sister,
Lots of luck and best wishes to you
in the future. I know you'll never
forget the long talks we've had.
May you and Ray have much
happiness.

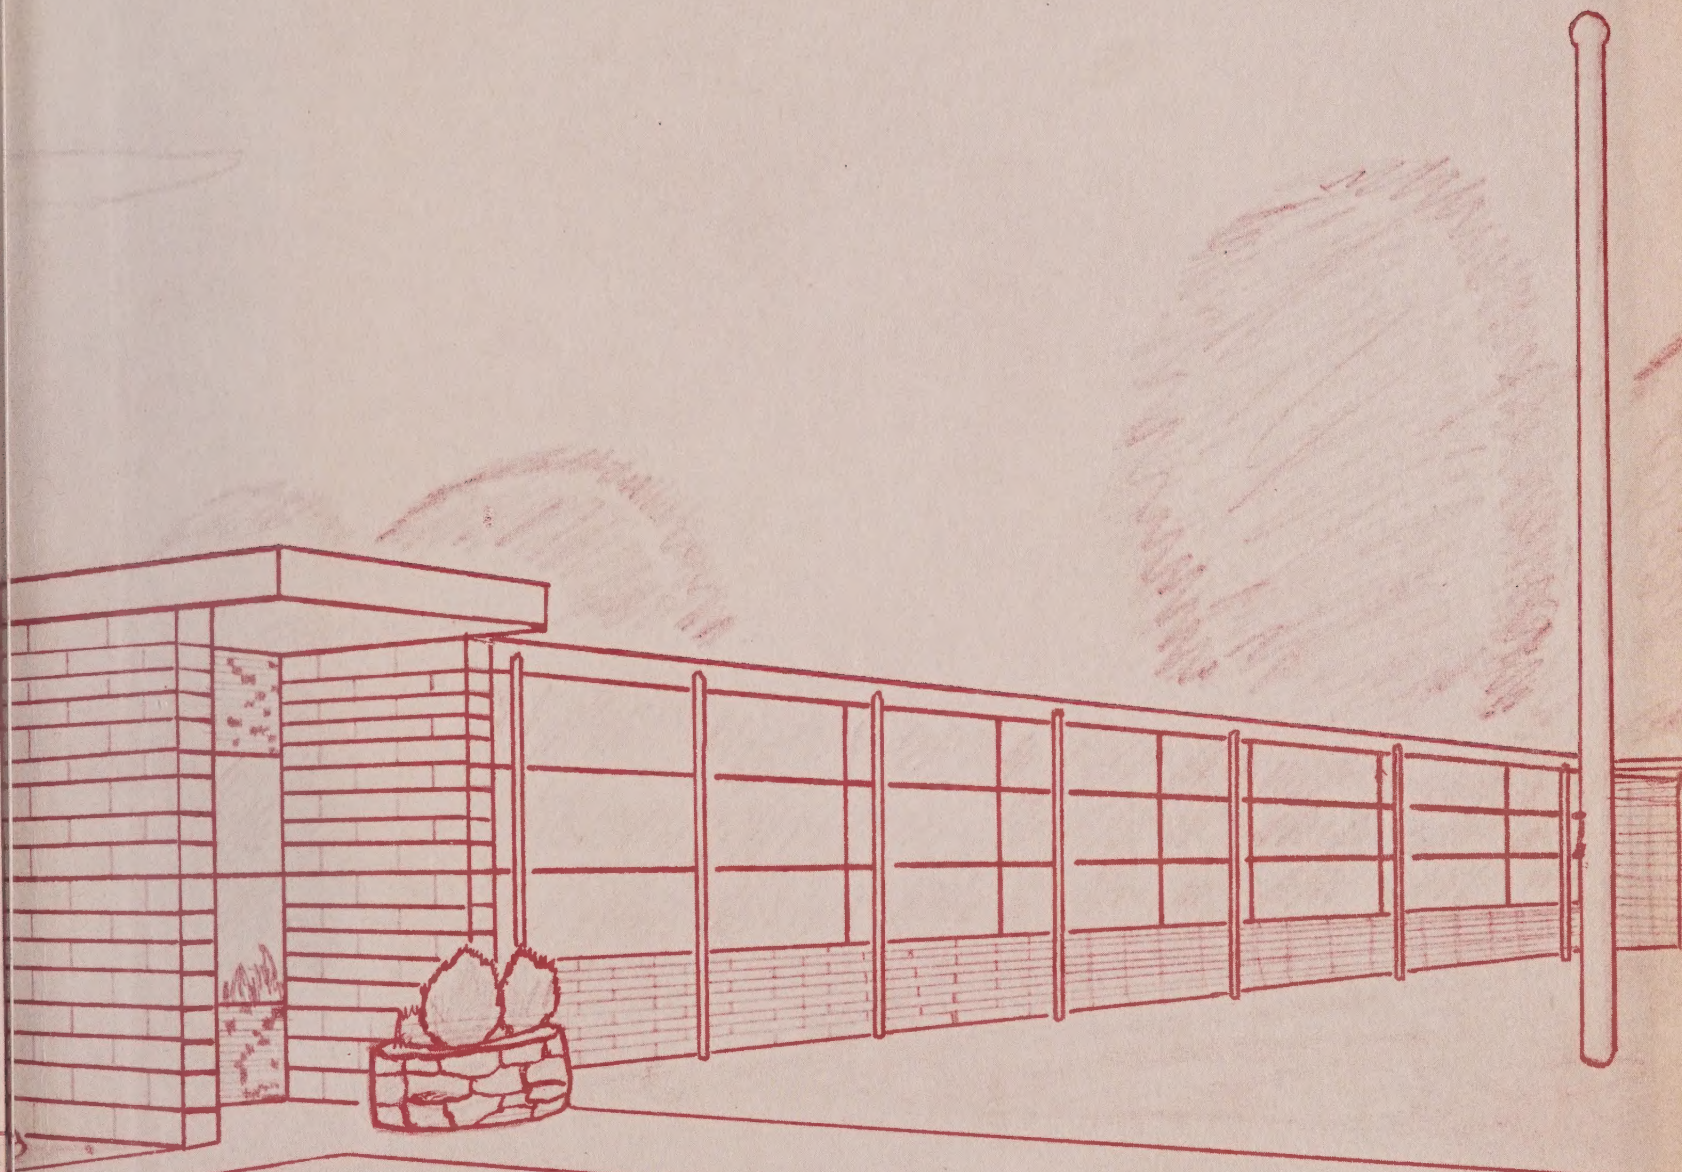

Love ya,
Jane

Dearest Sister,
I certainly have enjoyed
being in school with you
this year. We have really
had many good times &
I have enjoyed the very
much. We have almost com-
pleted a year at Jordan
Matthews H. and Ray was it
a dilly, although I ^{am} ready to
have a vacation. May
you & Ray have the very
best of luck. Best of wishes
to a sweet, cute, and nice girl.

I hope we have many
classes together next year!

Love ya!
Ruth P.
